Subject: Copyright authorization from ETSI to Dr. Roger B. Marks

Dear Sir,

In response to the IEEE request, please be informed that the ETSI Standard EN 301-390 V1.1.1, is protected by copyright and is the property of the European Telecommunications Standards Institute (ETSI).

By the present letter, ETSI is pleased to grant IEEE (Working Group 802.16) the right to reproduce the figures 1 & 2 from the Standard EN 301-390 V1.1.1, provided that you insert the following paragraph, when citing:

"© ETSI 2000. Further use, modification, redistribution is strictly prohibited. ETSI standards are available from publication@etsi.fr, and <http://www.etsi.org/eds/eds.htm>."

This copyright authorization allows for reproduction only in printed and computer materials of the above-cited standard, on a regional scale and for an unlimited period of time.

We would be grateful if you could provide us with a copy of the above-mentioned book.

Should the above information fall under patent protection, this copyright authorisation is not to be construed as an authorisation to use and/or implement patent information without fulfilling any attached obligations.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'K. H. Rosenbrock', is written over a light background.
