Dear Dr. Roger B. Marks,

TTA Project Group (PG) 302 Portable Internet acknowledges receipt of your letter (IEEE L802.16-05/009r3 dated 27 January 2005). Since updated draft IEEE P802.16e/D6 is just released, we will study this specification, give comments and also make the efforts to complete harmonization of both TTA PG302 and IEEE 802.16 specifications considering initial commercialization of WiBro services in early 2006 in Korea.

Sincerely,

Daehyoung Hong
Chair, TTA PG302
