Subject: Liaison statement to ARIB concerning the IMT-Advanced administrative documentation

Date: November 4, 2010

Dear Dr. Roger Marks,

Thank you for the continued collaboration on the IMT-Advanced proposal, and we have received your liaison statement on the IMT-Advanced administrative documentation (16 Sep 2010/IEEE L802.16-10/0093r2) including the drafted Certification "B".

Along with the endorsement from Japan as attached, ARIB fully agrees to the IEEE's intention of submitting the drafted Certification "B" which states; Section 1: Certification of Consistency of the GCS or DIS with the technology submission, and Section 2: Identification of authorized Transposing Organizations for the case where a GCS is utilized.

Based on the agreement from Japan on the authorized transposing organizations for the case where a GCS is utilized, ARIB agrees that the GCS Proponent notifies the ITU-R that ARIB is authorized to develop transposed standards and/or specifications corresponding to the submitted GCS(s) and to appropriately provide hyperlinks to these transposed standards/specifications to the ITU-R for the use in Recommendation ITU-R M.[IMT.RSPEC] .

Therefore, please fill out [ARIB:[contact]] in the Certification "B" Section 2 with "Mr. Yasuhiko WACHI, Director of Land Mobile Communication Group, ARIB" and the bottom part of the Certification "B".

The contact information on this matter will be ARIB as shown below:

Mr. Yasuhiko WACHI

Director of Land Mobile Communication Group Research & Development

Headquarters Association of Radio Industries and Businesses (ARIB)

E-mail: y-wachi@arib.or.jp

And please feel free to contact me if you have any questions or need further information.

Sincerely yours,

Kohei Satoh

Managing Director, ARIB
