

**802.16.3 Task Group  
CALL FOR CONTRIBUTIONS: Session #10  
Topic: Traffic, Deployment, and Channel Models  
Deadline: 30 October 2000**

Session #10 of the IEEE 802.16 Working Group on Broadband Wireless Access will be held on 6-10 November 2000 in Tampa, Florida, USA. In order to assist in the evaluation of air interface proposals, the 802.16.3 Task Group invites contributions addressing the following issues:

- **Traffic and deployment models based on single and multi-cell systems**
- **Channel propagation model**

Contributions must be submitted using Revision 8 or higher of the 802.16 Document Submission Template <[http://ieee802.org/16/docs/802\\_16\\_template.doc](http://ieee802.org/16/docs/802_16_template.doc)>. Submissions will be considered non-confidential and will be posted, as soon as possible following receipt, for public access on the 802.16 Web Site. Email your contribution to the 802.16.3 Task Group Chair, Brian Kiernan <[brian.kiernan@interdigital.com](mailto:brian.kiernan@interdigital.com)>, with a copy to 802.16 Chair Roger Marks <[marks@nist.gov](mailto:marks@nist.gov)>, for receipt by the deadline of 30 October 2000.
