### Tuesday 13 May 2003

*Meeting called to order at 8:30.*

Prior to starting the review of the comment database a concern about the copyright release on contribution C802.16d-03/30r1 was raised by Runcom. The issue will be resolved between Roger Marks and WiMAX. Robert Nelson made a motion as follows:

“Defer all comments that are from documents that do not include the standard IEEE copyright release notice until the copyright release issue is resolved.”

Seconded: Itzik Kitroser

In favour: 4

Against: 3

Motion passes with simple majority.

Itzik Kitroser made a motion as follows:

“Each comment that has a potential copyright issue shall be noted by “copyright issue” in the Group Notes field and shall have conditional acceptance pending resolution of said copyright issue.”

Seconded: Dave Hossun <sp?>

Friendly amendment made to add reference to only accepted comments in the motion. Motion changed to read, “Each accepted comment that has a potential copyright issue shall be noted by “copyright issue” in the Group Notes field and shall have conditional acceptance pending resolution of said copyright issue “. Ammendment accepted.

In favour: 5

Against: 0

Motion passed.
