

Call for Comments on Draft 802.16m Evaluation Methodology Document Deadline: 5 November 2007 AOE

At the IEEE 802.16 Session #51 in September 2007, Task Group m reviewed a revised draft and related comments on the Evaluation Methodology and Criteria for the proposed 802.16m Advanced Air Interface. The Task Group resolved all the comments during the meeting and the draft document has been updated based on those comment resolutions. The updated draft can be found at http://ieee802.org/16/tgm/docs/80216m-07_037r1.zip

Call for Comments

The Task Group now solicits specific comments on this revised draft Evaluation Methodology Document, for discussion and potential adoption during Session #52. As agreed by the Task Group at Session # 51, this call for comments is specifically limited to comments addressing the following:

- any remaining TBDs or FFSs within the document
- Obvious errors or omissions
- Evaluation criteria or methods for any requirements in the approved System Requirements Document, **IEEE 802.16m-07/002r4**, that are not currently addressed in the Evaluation methodology document

Comments that do not fall within these categories may be declared out of scope and not be addressed. It is desired that, at the end of Session #52, the Evaluation Methodology Document will have been completed and approved by the Task Group.

Submit your comments (with or without associated contributions) by the **deadline of 5 November 2007 AOE** following the instructions at <http://dot16.org/Commentary> and <http://ieee802.org/16/submit.html>.

Comments should refer to the “Ballot ID” as “tgmeval” and the “Document under Review” as “IEEE 802.16m-07/037”.

Contributions should be included only if the Proposed comment text is so substantial as to require the contribution format for appropriate presentation. Any contribution shall be referenced by an appropriate comment. *Make use of the current IEEE 802.16 Document Submission Template, Rev. 9 (2007-06-17)* <http://ieee802.org/16/submit.html>. Use the “TGM” upload directory at <http://tgm.wirelessman.org> to post both comments and contributions.

This is not a ballot, so please do not vote to ‘Approve’ or ‘Disapprove’ the document. This is a Call for Comments to improve the document and prepare it for adoption by the Task Group. For further information, contact one of the following:
