Call for Comments on
Draft 802.16m Evaluation Methodology Document
Deadline: 16 January 2008 AOE

At IEEE 802.16's Session #52 in November 2007, Task Group m (TGm) reviewed a revised draft and related comments on the Evaluation Methodology for the proposed 802.16m Advanced Air Interface. TGm resolved the comments <http://ieee802.org/16/tgm/docs/80216m-07_041r4.zip>. The draft, updated accordingly, is designated IEEE 802.16m-07/037r2 and can be found at <http://ieee802.org/16/tgm/#07_037>.

Call for Comments

The Task Group now solicits specific comments on this revised draft Evaluation Methodology Document IEEE 802.16m-07/037r2, for discussion and potential adoption during Session #53. As agreed by the Task Group at Session #52, this solicitation is specifically limited to comments addressing the following:

- any remaining TBDs or FFSs within the document
- Obvious errors or omissions
- Evaluation criteria or methods for any requirements in the approved System Requirements Document, **IEEE 802.16m-07/002r4,** that are not currently addressed in the Evaluation methodology document

Comments that do not fall within these categories may be declared out of scope and left unaddressed. It is desired that, at the end of Session #53, the Evaluation Methodology Document will have been completed and approved by the Task Group.

Submit your comments (with or without associated contributions) by the **deadline of 16 January 2008 AOE** following the instructions at <http://dot16.org/Commentary> and <http://ieee802.org/16/submit.html>.

Comments should refer to the "Ballot ID" as "tgmeval" and the "Document under Review" as "IEEE 802.16m-07/037r2".

Contributions should be included only if the Proposed comment text is so substantial as to require the contribution format for appropriate presentation. Any contribution shall be referenced by an appropriate comment. ***Make use of the current IEEE 802.16 Document Submission Template, Rev. 9 (2007-06-17)*** http://ieee802.org/16/submit.html>. Use the "TGm" upload directory at http://tgm.wirelessman.org to post both comments and contributions.

This is not a ballot, so please do not vote to 'Approve' or 'Disapprove' the document. This is a Call for Comments to improve the document and prepare it for adoption by the Task Group. For further information, contact one of the following:
