802.16m Opening Report- Orlando

• Plan for the week:

– Resolve **ALL** Letter Ballot comments (**ONLY** focus)
– Primary comment resolution groups on PHY and MAC and “Other” during daytime hours
– No scheduled evening sessions (Mon/Tues) however harmonization is strongly encouraged
– Authorize Editor to create D5 and request LB recirc
– Discuss ITU vs. Sponsor Ballot schedule
802.16m Opening Report- Orlando

• Plan for the week (cont):
  – Logistics:
    • Conduct two primary parallel sessions all week (PHY & MAC) plus a third “other” session part time (Tues)
      – Three parallel daytime LB comment resolution sessions
      – Common sessions on Monday PM and Thursday PM
    • Draft meeting calendar/TGm breakout schedule in external temp directory:
      • Details to be covered in TGm opening session
    • Also see TGm Draft Agenda, **802.16m-10/0007** and room allocation slides **802.16m-10/00008**
