

Dear EC members,

Per the LMSC P&P sections 3.1 and 4.0 all 802 executive committee members are elected or appointed and confirmed at the first Plenary session of each even numbered year. That occurs at the March 2016 Plenary session.

I will stand for re-election as Chair of 802. If I am re-elected, I plan to appoint the individuals currently filling the 802 Officer positions: first Vice Chair-Pat Thaler, second Vice-Chair-James Gilb, Recording Secretary-John D'Ambrosia, Treasurer-Clint Chaplin, Executive Secretary-Jon Rosdahl,. Futhermore, I plan to appoint the individuals filling the non-voting positions of 802 Member Emeritus-Advisor-Geoff Thompson, Hibernating WG 802.17 Chair-John Lemon, Hibernating WG 802.20 Chair-Radhakrishna Canchi,. The appointees have agreed to accept the appointments and wish to be confirmed. Note that some appointees this year are in transition with respect to their sponsorship/affiliation and it may be necessary to make changes in the future if appointees are unable to serve in their appointed position, therefore I am actively soliciting volunteers that would be interested in serving as a back-up for that position.

LMSC Executive Committee Position summary:

Title	Qty	notes

Total positions	19	16 voting, 3 non-voting positions

If you, or others in you WGs, wish to be considered for the 802 Chair or the appointed positions, please contact me and the Recording Secretary as soon as possible.

The responsibilities of the appointed positions are described below. In the case of the WG Chairs and Vice-Chairs, we will follow the process described below.

Please circulate this email to your WG members so they have ample time to consider it before the March meeting.

Finally, all potential EC members--please remember to submit your letter of endorsement and disclosure of affiliation to John D'Ambrosia as soon as possible, but not later than the opening EC meeting 14 March 2016.

Regards,

Paul Nikolich

EC member election and confirmation process

Current Working Group and Technical Advisory Group Chairs should announce to their Groups that the two-year term elections are being held per the 802 LMSC Policies and Procedures, inform the Group if they wish to be considered as a candidate for re-election and solicit new candidates for the positions of Chair and Vice-Chair (at a minimum). Newly elected/confirmed EC members will formally occupy those positions at the end of the March plenary session.

Each Group shall elect a Vice Chair or Vice Chair(s). A Group may have more than one Vice Chair if warranted and to develop leadership candidates.

If there are additional candidates for IEEE 802 LMSC Chair or the appointed positions, they should notify the recording secretary, John D'Ambrosia, as soon as possible but no later than the start of the opening EC meeting Monday morning, 14MAR2016, in order that the selection process proceeds in a smooth and open manner.

Responsibilities of the IEEE 802 LMSC chair and appointed positions are described below.

The confirmation of elected WG/TAG Chair and Vice-Chair will take place at the closing EC meeting as the first item under "Motions, Internal"(MI). Chairs, please be prepared to report the numerical results of the elections in your WG/TAG to the EC. After the new WG or TAG Chairs or Vice-Chairs are confirmed by the EC, they will formally occupy the position at the end of the Plenary session.

The election of LMSC Chair will then take place followed by the confirmation of appointed officers. If a new IEEE 802 Chair is elected, I propose that we delay the confirmation of the appointed members until the following session in order to provide for adequate review by the EC members.

LMSC CHAIR RESPONSIBILITIES

- 1) Fulfill Duties as Outlined in LMSC P&P
- 2) Obligations to Computer Society (CS)
 - a) Attend CS Standards Activities Board (SAB) meetings as LMSC Chair (one face-to-face and three via teleconferences)

 - g) Conduct or delegate EC email ballots (usually less than 10 per plenary session interval)
 - h) Conduct EC teleconference meetings (a minimum of 3 per year)

General Notes:

There are tremendous variations in the level of time and resources needed to support LMSC. LMSC is a large complex, organization with many diverse activities, both internal and external, that are generally managed well by the LMSC leadership team, however there is a somewhat constant level of LMSC Chair time that is consumed at a rate of about 100 hours per month in order to provide quality oversight to LMSC and perform the various tasks identified above. There are also actions that demand the Chair's attention whenever they occur, ranging from big

issues that take 100% of one's time (occasionally far in excess of 40 hours/week), to smaller ad-hoc ones that can be handled quickly in real time.

There is another activity that has tremendous advantages for LMSC and at the same time it consumes substantial resources. From time-to-time the opportunity arises for LMSC spokespersons to speak at conference and seminars. One could make this a full-time job, or ignore it. Experience indicates that good/valuable opportunities arise about once a year to make a major presentation at some national or international meeting. It is my opinion that EC members should do more of this on a coordinated basis to spread the word, build further interest, and gain added commitments to LMSC programs.

FIRST VICE CHAIR RESPONSIBILITIES

- 1) Stand in for the Chair when needed. This can be for a few minutes at the Executive Committee meetings. Other times it means chairing an entire Plenary session. In the latter case, there are a couple of weeks' worth of work in the 4-6 weeks before the Plenary session, and 100% consumption of one's time during the session. Occasionally and emergency situation develops, and the VC is suddenly required to conduct LMSC business for an extended period of time.
- 2) The primary responsibility is to lead mentoring and 802 training program efforts. This position will focus on the execution of the Education, Mentoring and Support program which is intended to improve the overall efficiency and quality of LMSC standards projects.
- 3) Responsible for presentation of LMSC introductory information at each Plenary session.
- 4) Be an expert on LMSC, CS-SAB and SA Policy and Procedures, 802 process and Roberts Rules of Order to help resolve issues in EC meetings and, when asked, at WG/TAG meetings.
- 5) Support maintenance of LMSC Policy and Procedure with 2nd Vice-Chair
- 6) Help the Chair in situations where the Chair believes he needs assistance with issues primarily arising in the various working groups.
- 7) Act as a mentor to new WG chairs and work with the Chair to oversee the assignment of experienced 802 members to mentor WG/TAG chairs as appropriate.
- 8) Visit WG/TAG sessions for short intervals during the Plenary session to keep abreast of the pulse of the organization. This should be coordinated with the 2nd vice chair to maximize coverage of all 802 projects.
- 9) In coordination with the Chair and 2nd Vice Chair, help resolve LMSC, SA and BoG issues with IEEE staff, IEEE Standards Board, BoG and CS-SAB. Recently, the focus of this work has been to develop and improve the utility of the various on-line tools SA maintains on behalf of standards developers.
- 10) Assist Chair with miscellaneous administrative and other assigned tasks.

SECOND VICE CHAIR RESPONSIBILITIES

- 1) The primary responsibility is to lead policies and procedure change activities. When major issues are being addressed this can consume significant amounts of time, occasionally precluding meaningful participation in a working group.
- 2) Be an expert on LMSC, CS-SAB and SA Policy and Procedures, 802 process and Roberts Rules of Order to help resolve issues in EC meetings and, when asked, at WG/TAG meetings.
- 3) Visit WG meetings for short intervals during the Plenary week to keep abreast of the pulse of the organization. This should be coordinated with the 1st vice chair to maximize coverage of all 802 projects.
- 4) Interpret the LMSC Policy and Procedure and provide advice to LMSC members, WG/TAG chairs, and other executive committee members when requested.
- 5) In coordination with the Chair and 1st Vice Chair, help resolve LMSC, SA and BoG issues (such as appeals, IPR issues, complaints, timely issuance of sponsor ballots, Get802 program and draft sales) with IEEE staff, IEEE Standards Board, BoG and CS-SAB.
- 6) Assist the Chair with miscellaneous administrative and other assigned tasks.

TREASURER'S RESPONSIBILITIES

- 1) Provide oversight over all fiscal matters
- 2) Establishment and maintenance of accounts
 - a) credit card companies, (AMEX, Discover, VISA/MC)
 - b) bank account
 - i) checking account
 - ii) credit card charge processing
 - c) vendor accounts
- 3) Prepare Budget

- a) Work with Executive Secretary and meeting planners to develop session budgets
- b) periodic recommendations/justification for meeting fee changes
- 4) Collect and Disburse Money
 - a) establish money handling procedures for meeting registration staff
 - i) check and travelers check endorsement
 - ii) credit card processing
 - iii) temporary storage of receipts
 - iv) daily cash-out
 - b) credit card deposit transactions (one or two per meeting day)
 - c) void/adjusted credit card transactions (one to three per meeting week)
 - d) storage of cash/check/etc during plenary meeting
 - e) preparation of deposits (deposit execution)
 - f) review of vendor invoices (hotel master account, A/V, etc)
 - g) expense reimbursement payments (executive committee member between meeting expenses, items specifically approved by executive committee)
 - h) deadbeat collections.
- 5) Reports
 - (a) statement of operations, balance sheet
 - i) accounting period (meeting and following interval) at Monday executive committee and plenary
 - ii) estimated statements at closing executive committee and plenary meetings
 - b) reports of expenses to Computer Society
 - c) deadbeat report (recommendations for removal of voting rights when needed)
- 6) Capital Equipment
 - a) maintain records of owned equipment and assigned custodians
 - b) procure equipment approved by executive committee
- 7) Provide oversight over all financial transactions records (database and journal entry)
- 8) Audits. Supply all necessary information to IEEE-SA auditor and provide oversight and guidance as needed.

RECORDING SECRETARY'S RESPONSIBILITIES
