

# Editor's Report: P802.3ch Draft D0.1

Natalie Wienckowski  
IEEE P802.3ch, Chief Editor

Steve Carlson  
IEEE P802.3ch, Chair

September 12, 2017 – Charlotte, NC

# P802.3ch Editorial Team (2017)

- Natalie Wienckowski, Chief Editor
- Curtis Donahue, PICS Editor

# P802.3ch Draft D0.1 Status

- Initial strawman (unofficial) draft version D0.1 was generated prior to meeting, containing typical legacy clauses projects update:
  - Clause 1 with definitions and normative references
  - Clause 30 with management objects
  - Clause 45 with MDIO registers
- Additional Clause(s) included:
- Clause150, which is where P802.3ch 10 G and 5G PHYs will be defined in detail, subject to TF decision
- Clause151, which is where P802.3ch 2.5G PHY will be defined in detail, subject to TF decision
