Subject: Status of IEEE P802.3ck Task Force

Approval: **Agreed to at IEEE 802.3 Telephonic Interim meeting, May 21, 2020**

Dear Mr. Otto and members of the OIF,

Thank you for your liaison letter providing the status of the OIF CEI-112G projects along with the draft Implementation Agreements oif2017.346.12 and oif2018.212.08.

**IEEE P802.3ck (100 Gb/s, 200 Gb/s, and 400 Gb/s Electrical Interfaces Task Force) has completed two rounds of task force review resulting in Draft 1.2 (attached).** The meeting materials from our virtual meeting series resolving Draft 1.1 comments can be found at: [http://www.ieee802.org/3/ck/public/20\\_03/index.html](http://www.ieee802.org/3/ck/public/20_03/index.html). As we continue rounds of task force review, we work towards our next goal of technical completeness.

We hope that you had a fruitful virtual meeting in recent weeks and look forward to continued communications as both our projects/drafts progress.

Sincerely,

David Law

Chair, IEEE 802.3 Ethernet Working Group
