The IEEE 802.3ah EFM Task Force has received the Communication Statement from your October 2002 meeting.

We welcome your suggestion that we develop a proposal for a TPS-TC, to be incorporated into revised DSL Recommendations, that fulfill the requirements we enumerated in our previous communication. Tentatively, we intend to forward a proposal to you prior to your July Rapporteur Group meeting.

We look forward to continued communication and cooperation between our two groups.

Sincerely,

Howard Frazier
Chair, IEEE 802.3ah EFM Task Force
