

# 802.18 RR-TAG Closing Report

- Report on November Plenary Meeting
- Objectives for January Interim Meeting

# Report on March 2003 Plenary Meeting

- **Prepared and approved 2 regulatory documents for FCC filing**
  - 18-03-0072-01-0000 Comments on RF Exposure NPRM
  - 18-03-0073-00-0000 Comments on Changes to Part 2 and 15
- **Prepared and approved a letter to officials in China on WAPI (to be an 802 letter from the Chair of 802)**
- **Gained consensus agreement and WG approvals on the technical details for an ITU-R contribution on protection criteria for RLANs (getting the ball rolling on the process of developing an ITU-R Recommendation)**
- **Approved a motion to establish a study group on sharing of unused TV broadcast spectrum by unlicensed devices**

## Planned Objectives for January 2004 Interim

- Prepare regulatory documents as time permits (will prioritize at 802.18 opening plenary)
- Hold joint meetings with other groups, if requested
