Dear Colleagues,

This liaison statement provides a response to the liaison in [JCA-IMT2020-LS16](#) including an update to the list of IEEE 802.1 documents contained in the IMT-2020 roadmap for non-radio aspects and activity related to 5G and beyond. The update is contained in JCA-Attachment-2025-03.

Thank you for your consideration on this topic. We look forward to continued collaboration between our organizations.

Respectfully submitted,
Glenn Parsons
