Abstract: [ITU-T Q14/15 will continue to host virtual meetings for IM/DM coordination and the modelling experts from the receiving SDOs are invited to join.]

ITU-T Q14/15 appreciates the coordination and support of SDOs in the development of interoperable transport system and equipment management, including time synchronization, carrier-grade Ethernet and MPLS-TP. ITU-T Q14/15 will continue to host coordination virtual meetings on the following dates. Modelling experts of the receiving SDOs of this liaison statement are invited to join.

Logistics details:

- Dates: 09 September 2026, 16 December 2026
- Time: 1300 - 1500 CET (Geneva Switzerland)
- URL: Two virtual meetings at:
