## Directions

The most convenient and least expensive method of transportation would be to take the MARTA train north located downstairs from airport baggage claim. It is clean, safe, fast and only costs about one dollar. Get off at the Lenox station exit (about 25 minutes). Call the hotel local number 231 1234 and identify yourself as a hotel guest and the Holiday Inn will send a shuttle to pick you up. It is only about 1 and a half mile to the hotel from the train (MARTA) station.

The Holiday Inn is in an area known as the heartbeat of Atlanta. It is within walking distance of Lenox Mall, one of Atlanta's finest shopping centers. There are numerous activities and restaurants close by.

The hotel management has agreed to extend Sportslife healthclub benefits to this group so please see Beth Anne Woodruff if you would like to workout.
