

Editors' Report

- **Next draft availability (93/20b2)**
 - Text changes due to editors 7/29/94 in order to make the second mailing
 - Post editorial comments to the reflector and/or email to the editors (gennis@netcom.com, jim@berlioz.nsc.com, kerlyn@gallant.apple.com, bob.ohara@amd.com) who will repost to the reflector
 - Technical changes still need to be made as submissions to the committee
 - 93/20b2 will be available on the ftp servers in an encrypted, compressed form. Both Word for Windows 2.0 and Postscript versions will be available. Availability will be announced on the reflector with the decryption password.
 - Those who need who have NO access to the ftp servers should contact a peer member
