Result of ballot

From those that voted on D4.0 the result is as follows:

Approve w/o comments	4
Approve with comments	4
Do Not Approve	0
Abstain	0

From others, including members w/o voting right:

Approve w/o comments	3
Approve with comments	0
Do Not Approve	0
Abstain	0

Without Do Not Approve votes, we qualify to go to Sponsor Ballot.

The handling of the comments is subject to further decision by the chair.

Comments

The comments are provided in doc.: -96/130-2

Tables with votes and with initials

The tables have been updated to reflect the changed votes.

The remainder of this document shows the vote per individual. I have also provided a list with the initials used in the tables for the source of comments, both sorted on last name and on initials.

Legend:

w is the voter status: m is voting member, nm is nearly voting member (participated in 2 meetings), am is aspirant member (participated in 1 meeting)

vote: y is approve, yl is belated approve, n is do not approves, a is abstain

comments: y is comments included
