**Title: Review of Draft D5.2**

Author:

Raj Gawera

The following is my review of the Introduction and MAC sections of D5.2/D6.0.

The indicated sections contain 'shall' but are not referred to explicitly by the PICS.

Those sections marked by '\*' indicate that the PICS should be updated rather than removing the 'shall'.

1.2  
3.8  
3.13  
3.34  
5.2  
5.2.1  
5.3.3  
5.4.2  
5.4.2.2  
5.4.2.4  
5.7.1  
5.7.2  
5.7.3  
5.7.4  
8.1.1.2\*  
8.1.2.2\*  
8.1.2.3\*  
8.1.2.4\*  
8.3.2\*  
10.1  
11.2.2.1\*

Also, A.4.4.2 in the PICS should refer to 7 rather than 7.1.1, 7.1.2, 7.1.3, 7.2.3, 7.3.

The PHY review results will be added later
