An Interim Meeting in Japan

Date: Nov. 11, 98

Author: Hitoshi Takanashi
NTT Wireless Systems Laboratories

e-Mail: takanasi@pcs.wslab.ntt.co.jp

May is the best season to visit Tokyo since:

- many sunny days in May
- no Typhoons
- not hot, not cold (15 – 25 C / 60 – 80 F)
- not busy season

I have found two hotels that can host to our interim meeting in Tokyo region.

A. SHINAGAWA PRINCE HOTEL (May 10 – 14, 99)

80 minutes from Narita International airport.

Sightseeing spots nearby

Tokyo Tower 15 m

Asakusa 25 m

Roppongi 20 m

Shinjuku 20 m

Akihabara 15 m

Nikko 120 m

Hakone 120 m

Kamakura 45 m

Kyoto / Nara 180 m

Many sightseeing buses are available.

Additional modular jack is available in a guestroom.

SHINAGAWA

MAKUHARI

B. MAKUHARI PRINCE HOTEL (May 24 – 28, 99)

- 40 minutes from Narita International airport
- Business district
- Trade show case nearby
- A baseball stadium nearby
- A traditional Japanese garden next to the hotel
- Tokyo Disneyland in 20 minutes away
- 40 minutes to Tokyo
- Additional modular jack is available in a guestroom.

Hotel Cancel policy: 7-day before your stay for free cancellation

Current Wireless LAN products in USA and Europe are not allowed to be used in Japan.
