Present: Bob O'Hara, Vic Hayes, Johnny Zweig, Michael Fischer, Allen Heberling

The meeting was convened by teleconference at 0715 PST.

The comments received from the third recirculation ballot of 802.11rev (in document 90097W-Comment-802\_11rev-3.doc) were discussed and resolved. The resolution of the comments is in document 90137W-802\_11rev-Comment-Resolution.doc.

The resolution of the comments was approved by unanimous consent.

Bob O'Hara will deliver detailed instructions to the IEEE editor to implement the comment resolutions.

The meeting adjourned at 0857 PST.
