Traveling To/From Hawaii, USA Information

Please take the steps to determine if you require travel documentation to attend a particular IEEE 802 Session. The **requirements change from time to time**. Because of this, we strongly urge all attendees to review the entry requirements for traveling to each IEEE 802 session location and determine for themselves, or in collaboration with their employer, what if any travel documentation is required.

Local rules, restrictions and guidelines are expected to change rapidly as the COVID-19 situation evolves. IEEE's recommendation with respect to travel is to refer to your country's consulate or state department for the most up to date information related to travel.

The CDC and US Department of State provides introductory information about entry and travel requirements on the following pages:

US Citizens, Nationals, Permanent Residents
