Subject: Liaison statement concerning IEEE 802.16 IMT-Advanced Evaluation Group  
Coordination Meeting

Dear Dr. Marks,

Regarding IMT-Advanced Evaluation Group Coordination Meeting held in 13 January, I sent you a letter describing that Mr. Eiji KITO would attend it on behalf of Japan as one of the proponents of the IEEE Technology.

However, after discussions in ARIB, Dr. Takashi SHONO is going to attend the meeting as a proponent of the IEEE Technology from Japan.

I hear that Mr. Eiji KITO will also take part in the meeting as a representative of the ARIB Evaluation Group.

I hope that the meeting be helpful and successful for the evaluation process of the IEEE Technology.

Sincerely yours,

Yasushi SAKANAKA  
Director for Land Mobile Communications
