Subject: Response to Liaison announcing first approved draft of MEF 22.1 Mobile Backhaul Implementation Agreement Phase 2

Thank you for your statement ([IEEE L802.16-10/0081](http://www.ieee.org/standards/publications/IEEE_L802.16-10/0081)) of 22 July 2010 announcing the first approved draft of MEF 22.1 Mobile Backhaul Implementation Agreement Phase 2 and the opportunity to comment on this initial draft technical specification.

While we greatly appreciate the offer to participate, IEEE 802.16 does not have any comments on your draft at this time. We encourage you to forward future documents to us for review and look forward to maintaining a dialogue with MEF in areas of mutual interest.

Sincerely,

Roger B. Marks
