Subject: Response to Liaison announcing Draft WiMAX Forum Machine to Machine Communications Requirements Spec

Thank you for your statement ([IEEE L802.16-10/0081](#)) of 20 December 2010 announcing the completion of the Draft Specification on *Requirements for WiMAX Machine to Machine Communications* and the opportunity to comment on this draft.

We appreciate the offer to review and comment on your draft and consider its applicability to our work. We will consider the material in the draft and provide you with feedback following our Session #72.

Sincerely,

Roger B. Marks Chair, IEEE 802.16 Working Group on Broadband Wireless Access
