

TG2 Session#24 closing report

- 5 new comments and 2 coordination inputs from sponsor ballot reviewed and resolutions proposed
- Comment database 802.16-03/03r6 on server
- 2 technical comments not accepted – the balloter may nevertheless accept the resolutions (issue is about terminology and can therefore be regarded as editorial).
- **TG2 seeks agreement to forward draft D5 to RevCom – see MOTION**
- Draft minutes on server

TG2 session#24; MOTION

To approve the resolutions contained in database 802.16-03_03r6 and recommend the forwarding of draft 802.16.2a/D5 to RevCom.
