

Spectrum Sharing and White Space Standardization within IEEE 802 to Bridge the Digital Divide

Venue

ITU Headquarters, Geneva, Switzerland

Tuesday, July 16th, CICG, Room 4

Time: 10.30 am – 12.30 pm

This meeting is open to all the ITU badge holders

Agenda

Learn about world-class IEEE 802 standards to enable spectrum sharing and white space operation to support a wide variety of applications
