

# Awards Program

## IEEE Standards Association Awards include:

### Sponsor Award for Outstanding Contributions to Corporate Standards Development

For exceptional support of the entity standards development process

### International Award

For an individual member who has made extraordinary contributions to the advancement of the international goals of the IEEE-SA

### Corporate Award

For a member organization providing outstanding leadership and contributions to the IEEE-SA

### Distinguished Service Award

For current or past members (up to 5 years) of the IEEE-SA Standards Board in recognition of outstanding service to the standards development process

### Standards Medallion

For major contributions to standards development, e.g., leadership in new technologies, goals achievement, identifying opportunities to better serve the needs of standards users, or other such contributions

### Emerging Technology Award

For an individual(s), working group, or company that has advanced, initiated, or progressed a new IEEE-SA work product technology within the IEEE-SA open consensus process

### Lifetime Achievement Award

For a current or past member of the Standards Association who has made a significant technical contribution in a standards committee, in their IEEE field(s) of interest, or leadership service on the Standards Board, Board of Governors, Corporate Advisory Group or IEEE committee

See: [standards.ieee.org/develop/awards/lifetime/index.html](http://standards.ieee.org/develop/awards/lifetime/index.html) for more information on this new award

### Standards Education Award

Jointly sponsored by the IEEE Standards Education Committee and the Standards Association

For an individual, company, or organization who has made significant contributions in the area of education about standards

See: [www.ieee.org/education\\_careers/education/awards/descriptions/standards\\_education\\_award.html](http://www.ieee.org/education_careers/education/awards/descriptions/standards_education_award.html) for more information on this award
