Marek Hajduczenia reviewed the agenda in

https://www.ieee802.org/3/2/a/public/202405/agenda_joint_202405_r02.pdf

Mr. Hajduczenia asked if there were any modifications to the agenda, none responded.

Mr. Hajduczenia then asked if there was any objection to approving the agenda, none responded, and the agenda was considered Approved by unanimous consent at **08:03 am**.

Mr. Hajduczenia reviewed Task Force decorum and asked if anyone from the press was present, none responded.

Mr. Hajduczenia reviewed the Task Force organization, the goals for the meeting, access to the reflector and website, and ground rules for the meeting.

Attendance, Mr. Hajduczenia noted that the attendance for this meeting was being recorded in IMAT and noted that there is session code. The morning session has two time slots to mark accordingly, per change in the IMAT configuration as discussed at the previous plenary meeting.

Mr. Hajduczenia shared the IEEE structure and bylaws and rules and urged the participants to review these to understand the process.

IEEE Patent Policy, at **08:07 am**, Mr. Hajduczenia asked if anyone had not seen the patent policy slides (agenda slides 13-17), none responded. Mr. Hajduczenia then made the call for potentially essential patents at **08:07 am**, and none responded.

Mr. Hajduczenia asked if anyone had not seen the IEEE-SA copyright policy slide (agenda slides 19-20). None responded.

Mr. Hajduczenia asked if anyone had not seen the IEEE-SA participation behavior policy slide (agenda slide 21). None responded.

Mr. Hajduczenia asked if anyone had not seen the IEEE-SA participation policy slides on "individual process" (agenda slides 22-23). None responded. Mr. Hajduczenia asked if

anyone objected to the individual process and if so to leave the meeting. There were no participants that left the meeting.

The Chair reviewed the IEEE 802.3 Standards process and where the Task Force was in the process and the process by which we will develop the standard.
