- When the block is sold out or the October 23, 2024 deadline has passed market rates will apply.

Traveling To/From Vancouver, British Columbia Canada

Please take the steps to determine if you require travel documentation including such items as a VISA to attend a particular IEEE 802 Meeting. The requirements change from time to time. Because of this, we strongly urge all attendees to review the entry requirements for traveling to each IEEE 802 meeting location and determine for themselves, or in collaboration with their employer, what if any travel documentation is required.

The following information has been provided for information purposes.

Immigration Refugee Citizenship Canada Instructions: To inform your application process, IRCC has created an instructions document. [Click Here to Access IRCC Instructions](#)

Immigration Refugee Citizenship Canada Registration List Share: To support your application needs, a listing of all verified attendees who have completed registration, paid their registration fees, requested a letter of invitation and provided informed consent will be supplied to Canada Citizenship and Immigration. This listing will include:

- Participants full legal name AND,
- Visa application number AND,
- Passport country of issuance.

IRCC Privacy: Information collected as part of these participant lists is used to identify and coordinate the processing of visa applications and, upon request, provide organizers updates of aggregate data on the status of visa applications of event participants within the confines of the [Privacy Act](#) and at the discretion of the Special Events Unit.

Visa Application # If you do not have an application number at the time of registration, please complete your registration and enter this information when you have it by returning to the registration site and logging in with the 'Already Registered' button.

General Health and Safety Overview

Know Before You Go

Local rules, restrictions and guidelines can change from time to time. IEEE's recommendation with respect to travel is to gather the information you need including referring to your country's consulate or state department for the most up to date information related to travel to your destination, and any countries where you may have layovers as part of your scheduled travel.
