Prepared by: Chad Jones
12 August 2026
1 PM ET

1:03 Meeting called to order. Meeting started by the Ad Hoc Chair, Chad Jones.

1:04 Agenda approved. The Chair starts reviewing agenda slides.

1:04 The Chair read aloud the IEEE SA Patent Policy. The call for patents was made and none responded.

1:05 The Chair informs the group that minutes for 8 July 2026 are posted, asked if anyone that wanted to review the minutes hadn't had the chance to review, and asked if there were any changes to be made to these minutes. None responded. The minutes were approved by unanimous consent. The Chair instructed the webmaster to change the status of these minutes to confirmed.

1:06 the Chair covered the IEEE SA Copyright Policy, code of ethics and conduct, individual process, equitable consideration of all viewpoints, meeting decorum, and the IEEE ethics reporting line (slides 4-14 in the agenda deck).

1:07 Opening matter complete. There is one agenda item: IEEE PC62.50.

The group reviewed the document and found the information in it regarding IEEE 802.3 stale. The group decided to recommend that the tutorial information in 62.50 be deleted and instead point to IEEE Std. 802.3. The Chair took on the task to make the Word doc markup and share with the group. It will be shared in the PDCC private area in this folder:
https://www.ieee802.org/3/ad_hoc/PDCC/private/WG367/index.html.
