TIA TR-42 Meetings

- **TR-42.7 has held one interim meeting since the last IEEE 802.3 update in March**
- **March 27 - 28, 2007 in Irvine, CA**
- **This was an interim meeting expressly to resolve category 6A ballot comments**

SP-3-4426-AD10-D, d7.0

- **AD10 (category 6A)**
 - **4th ballot (draft 6) closed on Feb 27, 2007**
 - **11 Approve, 1 Approve with Comments, 12 Do Not Approve**
 - **5th ballot (draft 7) will close on June 26, 2007**
 - **The group agreed that it is “reasonable” to plan for this full ballot to be followed by a default ballot in support of '568-B.2-10 publication in October of 2007**
