Local Grant Identification for EPoC – Patrick and Andrea (Qualcomm)

- Presented an updated version of the presentation based on feedback from several people

Straw Poll #1

Which of the following approaches do you prefer on Slide 4 of “Local Grant Identification for EPoC” by Patrick and Andrea (Qualcomm)?

(Vote for One Only)

Option 1	0
Option 2	2
Option 3	2
Undecided	7

C: The difference between Option 2 and Option 3 are almost the same. They have no difference in interoperability. The difference only affects the how the specification is written.

C: It looks like we can eliminate Option 1 which a number of people believe is a poor choice.

C: The authors can prepare a baseline to be considered at the meeting.
