Subject: Status of IEEE P802.3ck Task Force

Approval: Agreed to at IEEE 802.3 Interim meeting, Geneva, Switzerland, January 23,
2020

Dear Mr. Palkert and members of INCITS T11.2,

IEEE P802.3ck (100 Gb/s, 200 Gb/s, and 400 Gb/s Electrical Interfaces Task Force) has adopted several baselines and created our initial draft (draft 1.0 attached). In our January meeting, members considered 240+ comments and approved the upcoming generation of draft 1.1. You can find the meeting materials at http://www.ieee802.org/3/ck/public/20_01/index.html and comment reports at <http://www.ieee802.org/3/ck/comments/index.html>.

We hope you find these helpful as you have a fruitful meeting in Fort Worth. We look forward to continued communications as both our projects/drafts progress.
