Subject:	Status of IEEE P802.3ck Task Force	
Approval:	Agreed to at IEEE 802.3 Plenary meeting, November 19, 2020	

Dear Mr. Carr and members of the Gen-Z Consortium,

Thank you for your liaison letter providing the status of the Gen-Z PHY workgroup.

IEEE P802.3ck (100 Gb/s, 200 Gb/s, and 400 Gb/s Electrical Interfaces Task Force) has completed four rounds of task force review resulting in Draft 1.4 (attached). You can find the meeting materials at https://www.ieee802.org/3/ck/public/20_10/index.html and comment reports at http://www.ieee802.org/3/ck/comments/index.html. As we continue rounds of task force review, we work towards our next goal of technical completeness.

We look forward to continued communications as both our projects/drafts progress.

Sincerely,

David Law

Chair, IEEE 802.3 Ethernet Working Group
