Subject: Status of IEEE P802.3ck Task Force

Approval: **Agreed to at IEEE 802.3 Plenary meeting, November 19, 2020**

Dear Mr. ~~Frlan~~ Otto and members of the OIF,

Thank you for your liaison letter providing the status of the OIF CEI-112G projects along with the draft Implementation Agreements. We find these drafts helpful to reference in our discussions.

IEEE P802.3ck (100 Gb/s, 200 Gb/s, and 400 Gb/s Electrical Interfaces Task Force) has completed four rounds of task force review resulting in Draft 1.4 (attached). As we continue rounds of task force review, we work towards our next goal of technical completeness.

We hope that you had a fruitful virtual meeting in recent weeks and look forward to continued communications as both our projects/drafts progress.

Sincerely,

David Law

Chair, IEEE 802.3 Ethernet Working Group
