Subject: Status of IEEE P802.3ck Task Force

Approval: Agreed to at IEEE 802.3 Plenary meeting, May 20, 2021

Dear Mr. Otto and members of the OIF,

Thank you for your liaison letter providing the status of the OIF CEI-112G projects along with the draft Implementation Agreements. We find these drafts helpful to reference in our discussions.

IEEE P802.3ck (100 Gb/s, 200 Gb/s, and 400 Gb/s Electrical Interfaces Task Force) completed the first Working Group ballot and **initiated the first recirculation Working Group ballot with Draft 2.1 (attached)**.

We look forward to continued communications as both our projects/drafts progress.

Sincerely,

David Law

Chair, IEEE 802.3 Ethernet Working Group
