The second paragraph of 90.1 is being modified by IEEE P802.3de and (possibly) IEEE P802.3cx which will precede this amendment. This change is already obsolete.

SuggestedRemedy

Change editing instruction to 'Change second paragraph of 90.1, as modified by IEEE Std 802.3de-202x, as follows:'
Insert 'Editor's note (to be removed prior to working group ballot) - The text shown is the substantive edit based on IEEE Std 802.3-2018. The editor is to align text with draft 3.0 of 802.3de-202x when 802.3de goes to SA ballot, monitor 802.3cx in case further alignment is needed.'
