IEEE P802.3db Task Force Timeline

Adopted by TF November 2020

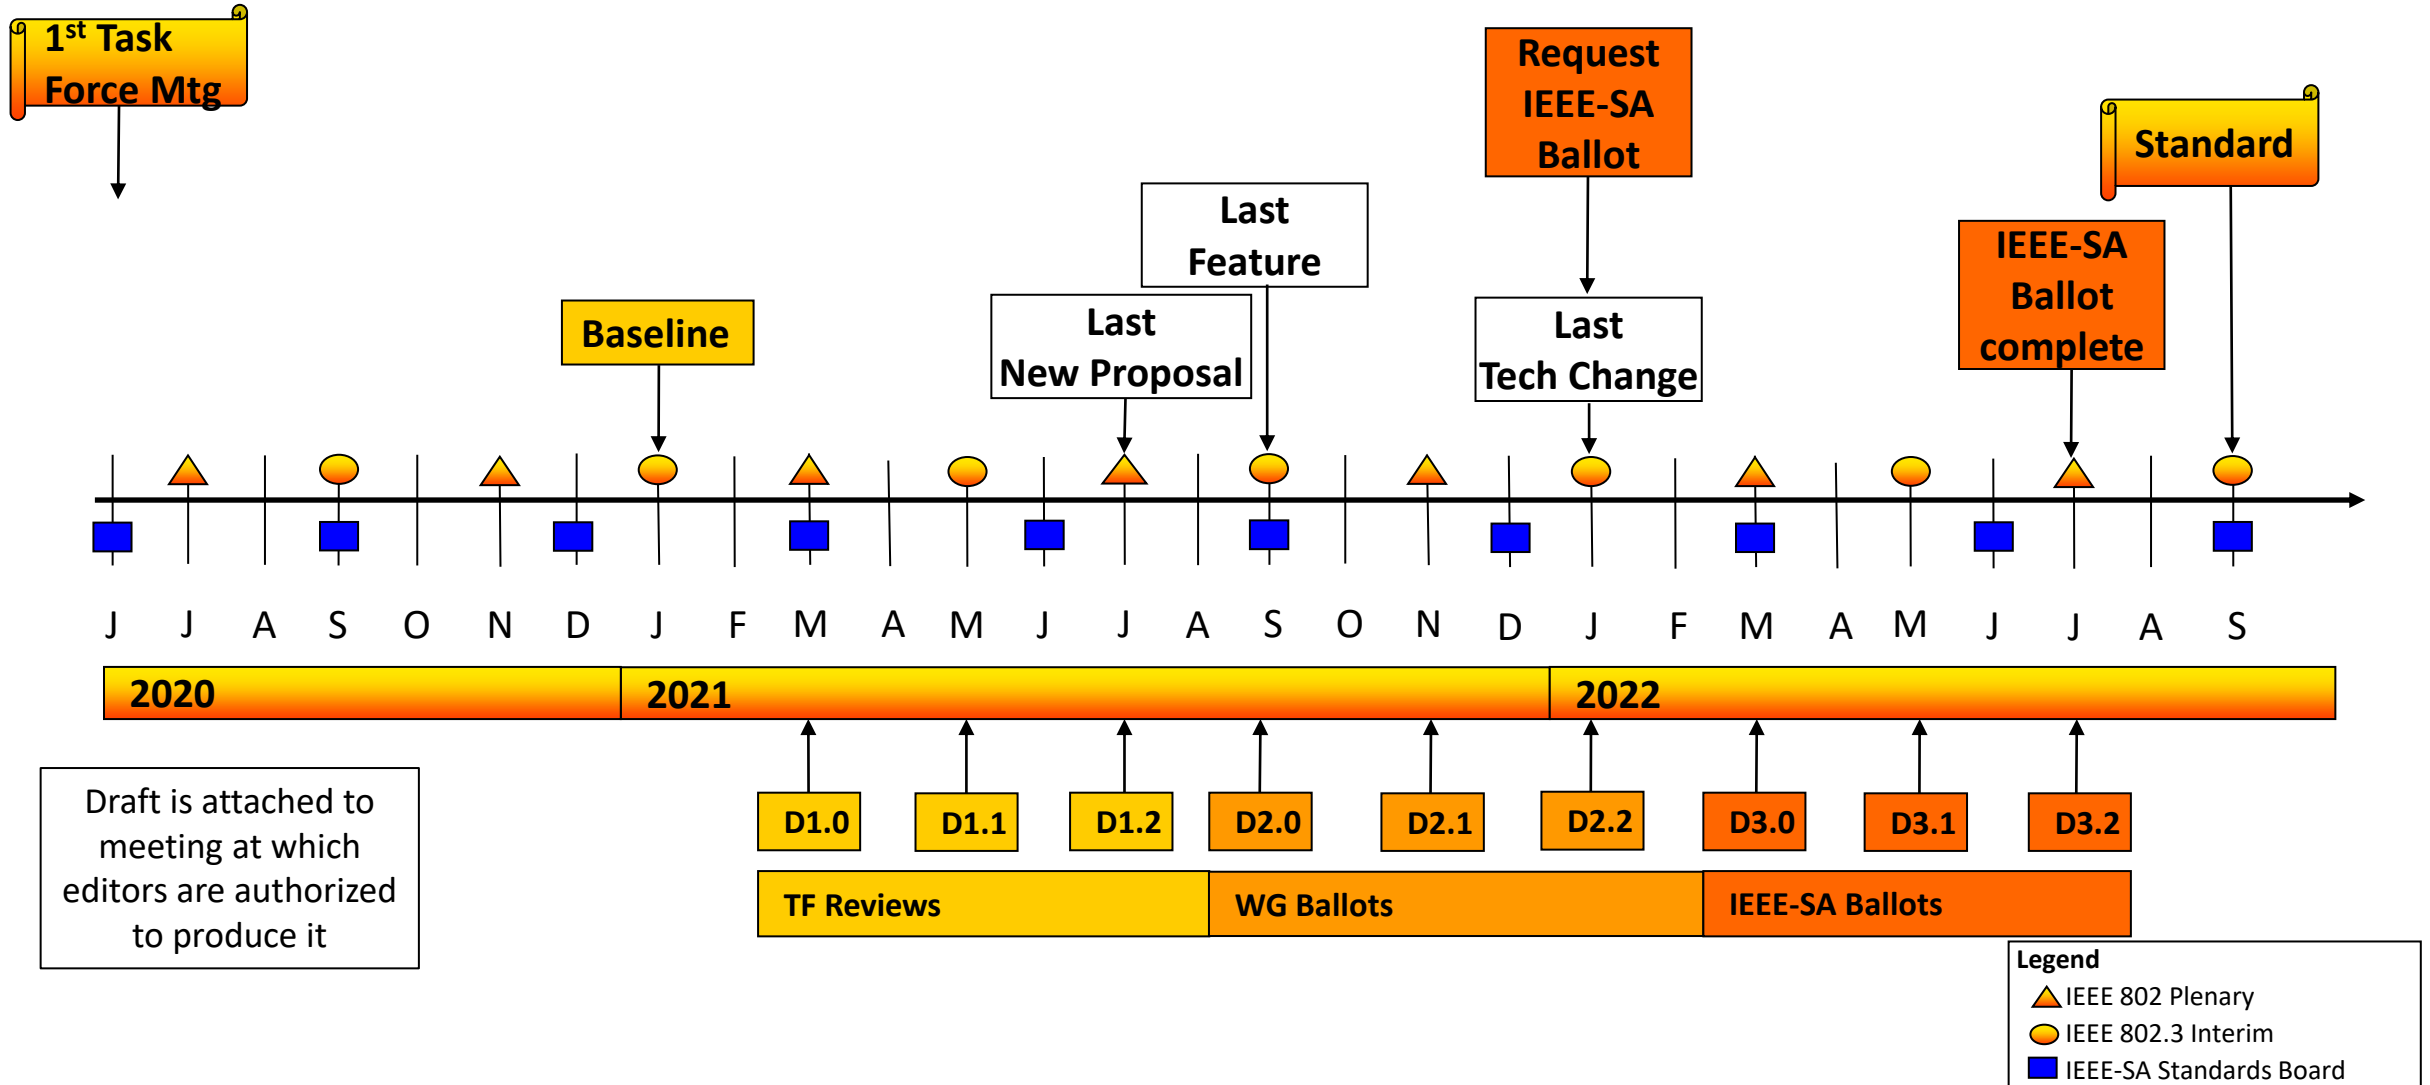

Timeline Review

- Based on amendment order, publication of standard projected to be September 2022, instead of June 2022 (current timeline)
- We need to have additional WG recirculation ballot, D2.2, instead of only D2.1 (current timeline)
- Plan to authorize WG recirculation ballot, D2.2, and conditionally request SA ballot, D3.0, during January WG/TF interim meetings
