Members of the Press, at 10:07AM the chair asked for any press members to identify themselves. None heard.

Goals for the Meeting

>   **P802.3dg**
> - Review draft 0.2 text

Attendance, the Chair advised the group that the attendance would be taken from from Webex.

At 10:12AM, the Chair resumed review of the agenda deck, including the following items – a review of the participation policy, a review of the IEEE copyright policy, a review of the IEEE policy on dominance, and a review of the IEEE Standards process. There were no questions.

IEEE Patent Policy, The Chair asked if anyone needed the patent slides to be read aloud. None responded, so the patent slides were displayed.

The **Call for Patents** was made at 10:13 AM and **none** responded.

The Chair resumed review of the agenda deck material after the call for patents.

At 10:14 AM, the chair reviewed the slides concerning IEEE SA Copyright policy, participant behavior, individual process, fair and equitable consideration, and position of this project in the IEEE 802.3 process.

Presentations and Discussion:

At 10:23AM, the chair moved to presentations and discussion. The chair suggested that, since the presentation deals with several sections in the draft, the presenter should pause after each slide and entertain questions. Mr. Murray agreed.

Presentation: Comments on 802.3dg Draft 0.2
Presenter: Brian Murray, affiliated with Analog Devices
