Unapproved Meeting Minutes, prepared by John D'Ambrosia, Gary Nicholl, Mark Nowell, and Kent Lusted

## 3 June 2024

June 2024 Electronic meeting

Location: Online

IEEE P802.3dj Task Force June 2024 Meeting Task Force Page - [https://www.ieee802.org/3/dj/public/24\\_06/index.html](https://www.ieee802.org/3/dj/public/24_06/index.html)

Session called to order at 9:00 a.m. Eastern Daylight Savings Time (all times EDT) by John D'Ambrosia, Chair of the P802.3dj Task Force.

Chair reminded participants to declare their name and affiliation in the online meeting tool. Failure to declare would result in expulsion from the meeting.

### Agenda:

Title	<b>Agenda and General Information</b>
Presenters	John D'Ambrosia
URL	<a href="https://www.ieee802.org/3/dj/public/24_06/agenda_3dj_a_2406.pdf">https://www.ieee802.org/3/dj/public/24_06/agenda_3dj_a_2406.pdf</a>

Chair welcomed everyone to the meeting.

Chair reminded participants to sign into IMAT.

Chair reviewed the agenda (Slide #2). Chair noted that individuals should check the webpage for the latest version of each presentation. Chair noted that all of the presentation times were subject to change.

Chair asked if there were any objections to the agenda. There were none. The agenda was considered approved by unanimous consent.

Chair noted that the following meeting minutes needed to be approved (see slide #4)

- IEEE P802.3dj Task Force
  - May 2024 Interim - [https://www.ieee802.org/3/dj/public/24\\_05/minutes\\_3dj\\_a\\_2405\\_unapproved.pdf](https://www.ieee802.org/3/dj/public/24_05/minutes_3dj_a_2405_unapproved.pdf)

Recording secretary received feedback from Leon Bruckman that there was an issue with attendance in the minutes. Upon further review, Kent found other issues with the recording of attendance. Therefore, Kent has corrected the attendance charts in the minutes version 'a'. He asked if anyone wanted to see the change bar version of the minutes. No one responded. Chair asked if there were any objections to approving the version 'a' minutes. There were none, and the minutes were considered approved by unanimous consent.

Chair reviewed meeting decorum. (See Slide #4) Chair asked if there were any members of the press present. No one responded.

Chair reviewed attendance. (See Slide #5) Chair noted that Task Force meeting attendance would be through the IEEE Meeting Attendance (IMAT).

Chair reviewed the Task Force Project Information / Organization for the P802.3df Task Force. (See Slides #6).

Chair reviewed the goals for the session (see slide #7):

- Consideration of comments submitted against D1.0
- Approval of generation of D1.1

Chair reviewed ground rules. (See Slide #8)

Chair reviewed the current state of the Task Force. (See Slide #9)

Chair reviewed voting in the task force. (see slide #10) Chair noted that the straw polls for all members would use the online Zoom tool. Motions would be taken with the Direct Vote Live tool if there was not unanimous consent. Chair noted that he reserved the right to take informative straw polls by 802.3 WG voting membership.

Slide #11 - Chair noted that the information regarding the IEEE SA Policies had been sent out via the Task Force reflector , and requested that individuals review the following IEEE SA policies prior to the interim meeting –

- IEEE SA Patent policy
- IEEE SA Copyright Policy
- IEEE SA Participation Policy and IEEE Code of Ethics

Chair asked if anyone needed to review the policies at that time – there were no requests to do so from in-person nor remote attendees.

Chair presented the third slide (See Slide #30) of the IEEE SA Patent Policy slides. Chair did call for Potentially Essential Patents, and no one came forward.

Chair presented the second slide (See Slide #35) of the IEEE SA Copyright Policy slides. Chair noted – “By participating in this activity, you agree to comply with the IEEE Code of Ethics, all applicable laws, and all IEEE policies and procedures including, but not limited to, the IEEE SA Copyright Policy.”

Chair reminded participants of the IEEE Code of Ethics and Conduct. (See slide #38) He noted “All participants in IEEE-SA activities are expected to adhere to the core principles underlying the IEEE Code of Ethics and IEEE Code of Conduct”.

Chair presented the second slide (See Slide #39) of the IEEE SA Participation Policy slides. Chair noted – “Participants in the IEEE-SA “individual process” shall act independently of others, including employers. By participating in standards activities using the “individual process”, you are deemed to accept these requirements; if you are unable to satisfy these requirements then you shall immediately cease any participation.”

Chair noted that the vice-Chair Mark Nowell was not available on Monday, 3 June. John D’Ambrosia noted that Kent Lusted would serve in the Vice-Chair role for the day and would assume running the meeting if he had to step away.

Chair reviewed the meeting map for the June 2024 series (see slide #12). He reviewed the details to find the track meetings call information. He noted that all of the call information was available on the IEEE Call and Meeting calendar.

Chair reviewed the key dates for the June 2024 meeting series (see slide #14)

Chair reminded individuals to review the proposed responses in ‘bucket1’ (T/TR) and ‘bucket2’ (E/ER) announced on the email reflector. (see: <https://www.ieee802.org/3/B400G/email/msg01158.html> ) The deadline to pull comments from ‘bucket1’ is 3pm eastern on 5 June 2024. It is anticipated that a motion will be made to accept the proposed responses to comments in “Bucket 1” during the joint Task Force meeting on 6 June 2024. Please note any comments withdrawn from “Bucket 1” will be excluded explicitly in the motion.

Chair provided the information to access the P802.3dj Task Force private area. The drafts are posted for participant review only. He noted that the draft, and any other content, was posted for participant review only and neither the content nor access information should be copied or redistributed to others in violation of document copyrights.

### **IMAT Reminder**

9:23 a.m. Chair asked participants to sign into IMAT. He paused for a minute to let attendees sign for attendance. He asked if there was anyone having a problem signing into IMAT and recording attendance. No one responded.

Chair noted that the webpage was up to date with the contributions received.

Chair recognized the efforts of the editorial team to prepare comment responses. There was a virtual round of applause. Chair noted that Matt Brown’s contribution on the “skew” topic would not be heard at the June 2024 electronic meeting series. It would be deferred to a future ad hoc meeting or the July 2024 Plenary meeting.

### **Presentation #1:**

Title	<b>Comment Resolution Agenda</b>
Presenters	Matt Brown
URL	<a href="https://www.ieee802.org/3/dj/public/24_06/brown_3dj_01_2406.pdf">https://www.ieee802.org/3/dj/public/24_06/brown_3dj_01_2406.pdf</a>

Chief Editor reviewed the comment resolution approach on slide 3. The editorial leads noted that the comment agenda would be updated each day. Adeel Ran, electrical lead editor, noted that the electrical comment order changed substantially and would be reflected in the updated version. Participants are asked not to pull comments from ‘bucket1’ to make editorial modifications or wording improvements to the proposed response text. As announced during the review period, the “bucket2” E/ER items were left to editorial discretion for implementation. The TF leadership and the editorial team would not accept requests to pull comments from bucket2. Instead, participants were encouraged to submit E/ER comments to the relevant editor lead via the marked up PDF process.

Questions were asked and answered.

Sam Sambasivan indicated that he had trouble signing into IMAT. He resolved the issue and successfully signed into IMAT.

Chair reminded participants to ensure that they were on the Task Force email reflector, as it would be used for communications related to comment resolution.

Comment resolution began at 10:08 a.m.

Break at 10:50 a.m. Resumed 10:55 a.m.

### **IMAT Reminder**

10:56 a.m. Chair asked participants to sign into IMAT. He paused for a minute to let attendees sign for attendance. He asked if there was anyone having a problem signing into IMAT and recording attendance. One person needed more time then no more issues were indicated.

### **Comment Resolution Background - Common Topics**

See: [https://www.ieee802.org/3/dj/public/24\\_06/brown\\_3dj\\_02\\_2406.pdf](https://www.ieee802.org/3/dj/public/24_06/brown_3dj_02_2406.pdf)

Chief Editor noted that the response to closed comment #21 needed revision after closing comment #547. He asked if there was objection to reopening comment #21 to clean up the response. No one responded. Comment #21 was opened, revised, and closed.

During the resolution of comment #205, the contribution “Proposed content for Annex 174” was reviewed for context. See: [https://www.ieee802.org/3/dj/public/24\\_05/ran\\_3dj\\_04a\\_2405.pdf](https://www.ieee802.org/3/dj/public/24_05/ran_3dj_04a_2405.pdf)

Comment resolution on the skew topic would be deferred until Thursday, 6 June.

Chief Editor noted that the comment resolution background slides for common topics did not include the link training topic due to editor work loads. The material was prepared but not included in the posted version of [https://www.ieee802.org/3/dj/public/24\\_06/brown\\_3dj\\_02\\_2406.pdf](https://www.ieee802.org/3/dj/public/24_06/brown_3dj_02_2406.pdf) He asked if there was objection to updating the contribution to version ‘02a’ to include the link training topic. No one responded.

Updated version 02a added Annex 176A training related content.

#### **IMAT Reminder**

Chair reminded participants to sign into IMAT.

Comment resolution paused for the day at 12:56 p.m.

Chair reminded participants of the schedule for 4-5 June. The meeting invites sent to the email reflector now pointed to the Task Force June 2024 meeting web page.

Chair reminded participants to review the proposed responses to comments in ‘bucket1’ (see: [https://www.ieee802.org/3/dj/comments/D1p0/8023dj\\_D1p0\\_comments\\_proposed\\_bucket1\\_v2.pdf](https://www.ieee802.org/3/dj/comments/D1p0/8023dj_D1p0_comments_proposed_bucket1_v2.pdf)). Requests to withdraw comments from “Bucket 1” must be made to John D’Ambrosia, Matt Brown and Kent Lusted by Wednesday, 5 June 2024 3:00 pm EDT. Participants were asked not to pull comments from ‘bucket1’ to make editorial modifications or wording improvements to the proposed response text. As announced during the review period, the “bucket2” E/ER items were left to editorial discretion for implementation. The TF leadership and the editorial team will not accept requests to pull comments from bucket2.

Meeting recessed for the day at 12:58 p.m.

#### 4 June 2024 - Electrical track

Track called to order at 9:05 a.m. Eastern Daylight Savings Time (all times EDT) by Kent Lusted, Electrical Track Chair of the P802.3dj Task Force.

Track Chair reminded participants to declare their affiliation in the online meeting tool. Failure to declare affiliation would result in expulsion from the meeting.

Track Chair made opening comments and reviewed the plans for the day.

Chair reviewed meeting decorum. (See Slide #4 of the agenda) Chair asked if there were any members of the press present. No one responded.

#### IMAT Reminder

Track Chair reminded participants to sign into IMAT for attendance recording.

Chair reminded participants of the IEEE Code of Ethics and Conduct. (See slide #47 of the agenda) He noted “All participants in IEEE-SA activities are expected to adhere to the core principles underlying the IEEE Code of Ethics and IEEE Code of Conduct”.

Track Chair reviewed the approach to comment resolution (see slide 8 of the Chief Editor’s report at [https://www.ieee802.org/3/dj/public/24\\_05/brown\\_3dj\\_01\\_2405.pdf](https://www.ieee802.org/3/dj/public/24_05/brown_3dj_01_2405.pdf) )

Track Chair Kent Lusted and Electrical Lead Editor Ade Ran reviewed the updated comment resolution agenda version ‘01a’ (see: [https://www.ieee802.org/3/dj/public/24\\_06/brown\\_3dj\\_01a\\_2406.pdf](https://www.ieee802.org/3/dj/public/24_06/brown_3dj_01a_2406.pdf))

Prior to the start of presentation #E-1, the author indicated there was an updated version ‘01a’ with minor corrections or clarifications on slides 10, 12 and 14, as well as additional supporters. Track Chair asked if there was objection to hearing the updated version. No one responded.

#### Presentation #E-1:

Track Chair reminded participants of the joint IEEE 802 and ITU-T meeting on Saturday, 13 July 2024. Registration for the joint meeting was on the ITU-T website. (see: <https://www.itu.int/en/ITU-T/Workshops-and-Seminars/2024/0713/Pages/default.aspx> )

Kent Lusted noted that he sent a summary of the requests to pull comments from the P802.3dj D1.0 bucket1 received before the deadline. He asked participants to review the list and contact the leadership if a request was missed. (see: <https://www.ieee802.org/3/B400G/email/msg01177.html> )

<b>Motion #1:</b>	Move to adopt the proposed responses for P802.3dj D1.0 comment resolution in ‘bucket1’ <a href="https://www.ieee802.org/3/dj/comments/D1p0/8023dj_D1p0_comments_proposed_bucket1_v2.pdf">https://www.ieee802.org/3/dj/comments/D1p0/8023dj_D1p0_comments_proposed_bucket1_v2.pdf</a> except comments 40, 55, 62, 64, 78, 84, 89, 92, 93, 94, 96, 99, 100, 106, 129, 134, 149, 152, 178, 307, 321, 332, 390, 452, 489, 492, 510, 511, 512, 513, 514, 515, 523, 597 and in ‘bucket2’ <a href="https://www.ieee802.org/3/dj/comments/D1p0/8023dj_D1p0_comments_proposed_bucket2_v2.pdf">https://www.ieee802.org/3/dj/comments/D1p0/8023dj_D1p0_comments_proposed_bucket2_v2.pdf</a>
<b>Technical (&gt;= 75%)</b>	
<b>Moved by</b>	Mike Dudek
<b>Second by</b>	Matt Brown
<b>Results 802.3 (y/n/a)</b>	passed by unanimous consent 9:11 a.m.

Chief Editor reviewed the updated comment resolution agenda version ‘01d’ (see: [https://www.ieee802.org/3/dj/public/24\\_06/brown\\_3dj\\_01d\\_2406.pdf](https://www.ieee802.org/3/dj/public/24_06/brown_3dj_01d_2406.pdf) )

Chief Editor noted that the inter-sublay link training (ILT) topic spanned the electrical, logic and optical domains and may be of interest to all participants.

Comment resolution resumed at 9:22 a.m.

### **IMAT Reminder**

9:39 a.m. Chair asked participants to sign into IMAT. He paused for a minute to let attendees sign for attendance. He asked if there was anyone having a problem signing into IMAT and recording attendance. One person needed more time then no more issues were indicated.

Gary Nicholl reviewed the plans for the logic track on 10 June. He organized the bucket1 pulled comments into the agenda and reminded participants of the deskew topic with the accompanying contribution. Participants interested in the topic should attend the logic track meeting. Details would be announced over the email reflector.

At 10:55 a.m. John D'Ambrosia passed the comment resolution chair responsibilities to Kent Lusted.

Break at 11:07 a.m. Resumed 11:12 a.m.

### **IMAT Reminder**

11:12 a.m. Chair asked participants to sign into IMAT. He paused for a minute to let attendees sign for attendance. He asked if there was anyone having a problem signing into IMAT and recording attendance. One person needed more time then no more issues were indicated.

Chair reminded participants that comment resolution resumes on Monday in track meetings. Details would be announced over the Task Force email reflector.

Chair noted that the next "closed as of" comment report would be posted on Wednesday, 12 June 2024. He noted that a motion would be considered on Thursday, 13 June 2024 to generate Draft 1.1.

Chair thanked the participants for their work to resolve comments.

Recessed for the day at 1:02 p.m.

## **10 June 2024 - Electrical track**

Track resumed at 9:03 a.m. Eastern Daylight Savings Time (all times EDT) by Kent Lusted, Electrical Track Chair of the P802.3dj Task Force.

Track Chair reminded participants to declare their affiliation in the online meeting tool. Failure to declare affiliation would result in expulsion from the meeting.

Track Chair made opening comments and reviewed the plans for the day.

Track Chair reviewed meeting decorum. (See Slide #4 of the agenda) Track Chair asked if there were any members of the press present. No one responded.

### **IMAT Reminder**

Track Chair reminded participants to sign into IMAT for attendance recording.

Track Chair reminded participants of the IEEE Code of Ethics and Conduct. (See slide #47 of the agenda) He noted "All participants in IEEE-SA activities are expected to adhere to the core principles underlying the IEEE Code of Ethics and IEEE Code of Conduct".

Track Chair reviewed the approach to comment resolution (see slide 8 of the Chief Editor's report at [https://www.ieee802.org/3/dj/public/24\\_05/brown\\_3dj\\_01\\_2405.pdf](https://www.ieee802.org/3/dj/public/24_05/brown_3dj_01_2405.pdf) )

Electrical lead editor reviewed the electrical related topics in the comment agenda (see: [https://www.ieee802.org/3/dj/public/24\\_06/brown\\_3dj\\_01e\\_2406.pdf](https://www.ieee802.org/3/dj/public/24_06/brown_3dj_01e_2406.pdf))

Comment resolution began at 9:21 a.m.

### **IMAT Reminder**

9:42 a.m. Track Chair reminded participants to sign into IMAT for attendance recording. Track Chair asked if there was anyone having difficulty recording attendance in IMAT. No one responded.

### **Comment Resolution Background - Electrical Topics**

See: [https://www.ieee802.org/3/dj/public/24\\_06/ran\\_3dj\\_01d\\_2406.pdf](https://www.ieee802.org/3/dj/public/24_06/ran_3dj_01d_2406.pdf)

Editor noted that the response to closed comment #283 to add a note pointing to another comment. He asked if there was objection to reopening comment #283 to make the change. No one responded. Comment #283 was opened, revised, and closed.

### **Break**

Break at 10:57 a.m. Resumed at 11:02 a.m.

### **IMAT Reminder**

11:03 a.m. Track Chair reminded participants to sign into IMAT for attendance recording.

Chair thanked the participants for their work to resolve comments.

Meeting recessed for the day at 1:02 p.m.

### 10 June 2024 - Logic track

Track resumed at 10:05 a.m. Eastern Daylight Savings Time (all times EDT) by Gary Nicholl, Logic Track Chair of the P802.3dj Task Force.

Track Chair reminded participants to declare their affiliation in the online meeting tool. Failure to declare affiliation would result in expulsion from the meeting.

Track Chair reviewed meeting decorum. (See Slide #4 of the agenda) Track Chair asked if there were any members of the press present. No one responded.

### IMAT Reminder

Track Chair reminded participants to sign into IMAT for attendance recording.

Chair reminded participants of the IEEE Code of Ethics and Conduct. (See slide #47 of the agenda) . He noted “All participants in IEEE-SA activities are expected to adhere to the core principles underlying the IEEE Code of Ethics and IEEE Code of Conduct”.

Track Chair reviewed the approach to comment resolution (see slide 8 of the Chief Editor’s report at [https://www.ieee802.org/3/dj/public/24\\_05/brown\\_3dj\\_01\\_2405.pdf](https://www.ieee802.org/3/dj/public/24_05/brown_3dj_01_2405.pdf) )

Track Chair made opening comments and reviewed the plans for the day.

Comment resolution began at 10:12 a.m.

Break at 11:25 a.m. Resumed at 11:30 a.m.

**IMAT Reminder**

Track Chair reminded participants to sign into IMAT for attendance recording after the break (11:30 a.m. ET)

Comment #492 was withdrawn by the commenter.

Comments #194 and #531 were put on the floor to enable some preliminary discussion among the participants of the logic tract on these topics. However, these comments are part of the common track, and would be closed as part of the common track and not the logic track.

The chair announced that comments #194 and #531 would be covered in the common session and encouraged anyone interested in these topics to please review these comments ahead of time.

Meeting recessed for the day at 12:52p.m.

## **11 June 2024 - Electrical track**

Track resumed at 9:02 a.m. Eastern Daylight Savings Time (all times EDT) by Kent Lusted, Electrical Track Chair of the P802.3dj Task Force.

Track Chair reminded participants to declare their affiliation in the online meeting tool. Failure to declare affiliation would result in expulsion from the meeting.

Track Chair made opening comments and reviewed the plans for the day.

Track Chair reviewed meeting decorum. (See Slide #4 of the agenda) Track Chair asked if there were any members of the press present. No one responded.

### **IMAT Reminder**

Track Chair reminded participants to sign into IMAT for attendance recording.

Track Chair reminded participants of the IEEE Code of Ethics and Conduct. (See slide #47 of the agenda) He noted "All participants in IEEE-SA activities are expected to adhere to the core principles underlying the IEEE Code of Ethics and IEEE Code of Conduct".

Track Chair reviewed the approach to comment resolution (see slide 8 of the Chief Editor's report at [https://www.ieee802.org/3/dj/public/24\\_05/brown\\_3dj\\_01\\_2405.pdf](https://www.ieee802.org/3/dj/public/24_05/brown_3dj_01_2405.pdf) )

Track Chair reminded participants to read the announcements with meeting logistics that were sent to the email track reflector.

Track Chair reminded participants of the call for presentations for the July 2024 plenary meeting. Presentation requests are due 4 July 2024 AOE. Presentations must be submitted by 8 July 2024 AOE. (See: <https://www.ieee802.org/3/B400G/email/msg01180.html> )

Track Chair reminded participants of the IEEE 802 July 2024 plenary. Participants are required to register and pay a meeting fee.

Track Chair reminded participants of the joint IEEE 802 and ITU-T meeting on Saturday, 13 July 2024. Registration for the joint meeting was on the ITU-T website. (see: <https://www.itu.int/en/ITU-T/Workshops-and-Seminars/2024/0713/Pages/default.aspx> )

Track Chair Kent Lusted and Electrical Lead Editor Adeo Ran reviewed the updated comment resolution agenda version '01e' (see: [https://www.ieee802.org/3/dj/public/24\\_06/ran\\_3dj\\_01e\\_2406.pdf](https://www.ieee802.org/3/dj/public/24_06/ran_3dj_01e_2406.pdf) )

(See comment #204 in the comment report)

Track Chair summarized the progress from the day. He noted that there were still 50+ electrical related comments to close.

Track Chair noted that the comment resolution plan for Wednesday and Thursday would be communicated via the Task Force email reflector.

Meeting recessed for the day at 11:59 a.m.

## **12 June 2024**

Meeting resumed at 9:00 a.m. Eastern Daylight Savings Time (all times EDT) by John D'Ambrosia, Chair of the P802.3dj Task Force.

Chair reminded participants to declare their affiliation in the online meeting tool. Failure to declare affiliation would result in expulsion from the meeting.

Chair made opening comments and reviewed the plans for the day.

Chair reviewed meeting decorum. (See Slide #4 of the agenda) Chair asked if there were any members of the press present. No one responded.

### **IMAT Reminder**

Chair reminded participants to sign into IMAT for attendance recording.

Chair reminded participants of the IEEE Code of Ethics and Conduct. (See slide #47 of the agenda) He noted "All participants in IEEE-SA activities are expected to adhere to the core principles underlying the IEEE Code of Ethics and IEEE Code of Conduct".

Chair reviewed the approach to comment resolution (see slide 8 of the Chief Editor's report at [https://www.ieee802.org/3/dj/public/24\\_05/brown\\_3dj\\_01\\_2405.pdf](https://www.ieee802.org/3/dj/public/24_05/brown_3dj_01_2405.pdf) )

Chair reminded participants of the IEEE 802 July 2024 plenary. Participants are required to register and pay a meeting fee.

At 9:06a.m. John D'Ambrosia passed the meeting chair responsibilities to Kent Lusted for running the comment resolution.

Chief Editor reviewed the current state of the comment resolution. He reviewed the latest version of the comment agenda. (see: [https://www.ieee802.org/3/dj/public/24\\_06/brown\\_3dj\\_01g\\_2406.pdf](https://www.ieee802.org/3/dj/public/24_06/brown_3dj_01g_2406.pdf))

Comment resolution began at 9:09 a.m.

### **Straw Poll #TF-1**

Topic: Link Training

Type: direction

(See comment #358 in the comment report)

The Electrical track editor Adee Ran indicated that he was having audio problems. Chair paused the meeting for Adee to resolve the audio issue. It was resolved.

### **IMAT Reminder**

9:59 a.m. Chair asked participants to sign into IMAT. He paused for a minute to let attendees sign for attendance. He asked if there was anyone having a problem signing into IMAT and recording attendance. One person needed more time then no more issues were indicated.

Matt Brown withdrew comment #581.

Task Force Chair John D'Ambrosia noted that there was an issue with the closed response of comment #183. The comment was closed in the bucket1 motion on 6 June. An individual contacted the leadership that the closed response to the comment contained conflicting instructions. The response needed an update to reference slides 6,7 and 9. He asked if there was objection to reopening comment #183 to do it. No one responded. Comment #183 was opened, revised, and closed.

Task Force Chair noted that the response to comment #183 be included in the motion during closing business.

Break at 11:05 a.m. Resumed at 11:15 a.m.

#### **IMAT Reminder**

11:16 a.m. Chair asked participants to sign into IMAT. He paused for a minute to let attendees sign for attendance. He asked if there was anyone having a problem signing into IMAT and recording attendance. One person needed more time then no more issues were indicated.

Task Force Chair noted that common track items were complete and that the remaining comment resolution time would be spent on the electrical track.

#### **Comment Resolution Background - Electrical Topics**

#### **Straw Poll #E-5**

Topic: Link Training

Type: direction

(See comment #186 in the comment report)

Track Chair thanked the comment resolution group and the editorial team for the progress on closing comments.

Chair reminded participants of the call for presentations for the July 2024 plenary meeting. Presentation requests are due 4 July 2024 AOE. Presentations must be submitted by 8 July 2024 AOE. (See: <https://www.ieee802.org/3/B400G/email/msg01180.html> )

Track Chair reminded participants of the joint IEEE 802 and ITU-T meeting on Saturday, 13 July 2024. Registration for the joint meeting was on the ITU-T website. (see: <https://www.itu.int/en/ITU-T/Workshops-and-Seminars/2024/0713/Pages/default.aspx> )

Task Force Chair reminded participants of the closing business on Thursday, 13 June 2024. The track chairs would provide an overview of the big ticket items for consideration in July.

Meeting recessed at 1:02 p.m.

#### **13 June 2024**

Meeting reconvened at 9:00 a.m. EDT by John D'Ambrosia, IEEE P802.3dj Task Force Chair.

Chair reminded participants to declare their affiliation in the online meeting tool. Failure to declare affiliation would result in expulsion from the meeting.

Chair made opening comments and reviewed the plans for the day.

Chair reviewed meeting decorum. (See Slide #4 of the agenda) Chair asked if there were any members of the press present. No one responded.

#### **IMAT Reminder**

Chair reminded participants to sign into IMAT for attendance recording.

Chair reminded participants of the IEEE Code of Ethics and Conduct. (See slide #47 of the agenda) He noted “All participants in IEEE-SA activities are expected to adhere to the core principles underlying the IEEE Code of Ethics and IEEE Code of Conduct”.

Chair reviewed the approach to comment resolution (see slide 8 of the Chief Editor’s report at [https://www.ieee802.org/3/dj/public/24\\_05/brown\\_3dj\\_01\\_2405.pdf](https://www.ieee802.org/3/dj/public/24_05/brown_3dj_01_2405.pdf) )

Chair noted that the Task Force reflector did not capture traffic for approximately 1 week. He would be working with the IEEE staff to resolve the issue.

Chief Editor reviewed the updated comment agenda (see: [https://www.ieee802.org/3/dj/public/24\\_06/brown\\_3dj\\_01h\\_2406.pdf](https://www.ieee802.org/3/dj/public/24_06/brown_3dj_01h_2406.pdf) ) He noted that the electrical lead editor had recently reorganized the electrical topic order.

Vice-Chair noted that it was a goal to resolve all of the comments against D1.0. If time does not permit, a comment report with the unresolved comments and post it to the website.

At 9:10 a.m. John D’Ambrosia passed the meeting chair responsibilities to Kent Lusted for running the comment resolution.

Electrical track editor Adee Ran reviewed the comment agenda order for the electrical topics. (see: [https://www.ieee802.org/3/dj/public/24\\_06/brown\\_3dj\\_01j\\_2406.pdf](https://www.ieee802.org/3/dj/public/24_06/brown_3dj_01j_2406.pdf) )

Comment resolution began at 9:13 a.m.

Chief Editor noted that the response to closed comment #273 to specify the relevant clauses and annexes in the response. He asked if there was objection to reopening comment #273 to do it. No one responded. Comment #273 was opened, revised, and closed.

#### **IMAT Reminder**

9:48 a.m. Chair asked participants to sign into IMAT. He paused for a minute to let attendees sign for attendance. He asked if anyone had issues recording attendance in IMAT. No one responded.

Break at 11:05 a.m. Resumed at 11:18 a.m.

Ali Ghiasi withdrew comment #585.

Comment resolution ended at 12:30 p.m.

At 12:30 p.m. Kent Lusted passed the meeting chair responsibility back to John D'Ambrosia.

Chair thanked the comment resolution group for the work to resolve comments against D1.0.

Chair noted that the closed comment report would not include the not-closed comments. He noted that the scope of the draft would remain open for D1.1.

Chair noted that the comments not closed during comment resolution on D1.0 would not be carried forward. Commenters would be responsible for resubmitting the comments against D1.1, if desired.

The Chief Editor reviewed the remaining open comments for the comment resolution group. The editorial team would only act on the responses to the open comments. However, an open comment may be covered by another comment on the same topic.

<b>Motion #2:</b>	Move that the IEEE P802.3dj Task Force generate Draft 1.1 for the second Task Force Review from D1.0 and the closed comments
<b>Technical (&gt;= 75%)</b>	
<b>Moved by</b>	Matt Brown
<b>Second by</b>	Eugene Opsasnick
<b>Results 802.3 (y/n/a)</b>	passed by unanimous consent 12:40 p.m.

Chair notes that closed comments also includes the comments in bucket1 and bucket2 adopted by Motion #1 on Thursday, 7 June 2024. Chair noted that the closed comments do not include remaining open comments.

Chair reviewed the future meetings.

Chair noted that there were liaisons for consideration at the July 2024 Plenary meeting.

At 12:46 p.m. John D'Ambrosia passed the meeting chair responsibilities to Kent Lusted. John was having computer issues.

The track leads, Kent Lusted, Mark Nowell, and Gary Nicholl, reviewed a list of "big ticket items". (see slides 19-21 in [https://www.ieee802.org/3/dj/public/24\\_06/agenda\\_3dj\\_b\\_2406.pdf](https://www.ieee802.org/3/dj/public/24_06/agenda_3dj_b_2406.pdf) )

At 12:52 pm. John D'Ambrosia resumed the meeting chair responsibility.

Chair noted that the ECOC 2024 meeting immediately followed the IEEE 802.3 September 2024 interim meeting. He requested a straw poll to assist the leadership with meeting scheduling and planning comment resolution.

**Straw Poll #TF-2**

I plan to attend the ECOC 2024 meeting in September and I primarily attend the 3dj \_\_\_\_\_ track:

- A. electrical
- B. optical
- C. logic
- D. i am not going to ECOC

Results: A: 8, B: 7, C: 1, D: 24

Chair noted that the agenda was complete.

Meeting adjourned at 12:59 p.m.
