Subject: Fibre Channel request for liaison relationship

From: Tom Palkert, Chair Fibre Channel Physical Variants

Dear Mr. Law and participants of IEEE 802.3 Working Group,

The INCITS/Fibre Channel group would like to create and maintain a liaison relationship with the 802.3 Working Group and further request a copy of your latest P802.3dj draft to aid us in our own specification development.

We look forward to your future communications.

Yours sincerely,
Tom Palkert
Chair, Fibre Channel Physical Variants
