Questions?

Attendance percentage and history

Starting in May 2024, IEEE 802.3 Working Group will transition to meeting slots in IMAT. This will allow the attendance percentage to reflect actual meeting attendance properly.

Prior to May 2024, meeting percentages shown in IMAT are NOT accurate!

NOTE: For interim meetings if you are using reciprocal credits from IEEE 802.1, the percentage shown in IMAT will not be correct. A maximum of 4 credits from IEEE 802.1 can be used as meeting credit to maintain IEEE 802.3 voting privileges.

Disclosure of affiliation

IEEE-SA Standards Board By-Laws, Section 5.2.1.5

- <http://standards.ieee.org/guides/bylaws/sect5.html>

Disclosure of Affiliation

"Every member and participant in a working group, Sponsor ballot, or other standards development activity shall disclose his or her affiliation."

What is "Affiliation"

"An individual is deemed "affiliated" with any individual or entity that has been, or will be, financially or materially supporting that individual's participation in a particular IEEE standards activity. This includes, but is not limited to, his or her employer and any individual or entity that has or will have, either directly or indirectly, requested, paid for, or otherwise sponsored his or her participation."

Affiliation and participation

"Failure to disclose every such affiliation may result in complete or partial loss of rights to participate in IEEE-SA activities. An individual is not excused from compliance with this policy by reason of any claim of a conflicting obligation (whether contractual or otherwise) that prohibits disclosure of affiliation."

Correct your employer

Your “employer” information is taken from your IEEE (MyProject) Account.

Look at the attendance summary for the most recent meeting you attended and check that your employer is correct:

- https://www.ieee802.org/3/minutes/nov25/1125_attendance.pdf
- https://www.ieee802.org/3/minutes/sep25/0925_attendance.pdf

If it is blank or incorrect, then fill in your current employer in your IEEE (MyProject) Account.

- <https://development.standards.ieee.org/myproject-web/public/view.html#landing> and log in with your username/email and password.
- Then go to the “Welcome, <name>” at the top right-hand side of the page and select “Manage Profile & Interests” change the entry under “Employer”.
