Why Egypt?

The Cradle of Civilization

Egypt, known as "**The Motherland of the World**" is a rich civilization with a rich heritage spanning over 7,000 years.

It is the world's most ancient state, characterized by a cohesive societal fabric. The Nile River, originating from Africa, sustains an enduring civilization, including the Pyramids of Giza and the Pharaohs' mystical legacy.

Egypt's legacy endures, a testament to human achievement and the indomitable spirit of human achievement.

CONNECTIVITY

Egypt's strategic location and widespread airport network make travel to the country exceptionally easy.

With over seven international airports, including Cairo, Alexandria, and Luxor, Egypt welcomes flights from around the world. Major international carriers, such as Egypt Air, British Airways, Emirates, and Lufthansa, operate at these airports.

Travelers can reach Egypt swiftly, with flight times ranging from five hours (from Europe) to 15-12 hours (from North America and Southeast Asia).

Domestic travel within Egypt is also convenient, whether by plane, car, or train.
