Confirmation of the establishment of a category C liaison with IEC IEC/TC 64/MT 2 and IEEE 802.3 WG:

Dear Mr Law,

Thank you for your application to establish a category C liaison with IEC TC 64/MT 2 and IEEE Working group 802.3.

I am pleased to confirm that your application has been approved and that your organization is now registered as having a category C liaison with this IEC TC.

I would like to draw your attention to the rights and obligations of organizations in liaison with IEC committees explained in clauses 1.17 of [ISO/IEC Directives Part 1](#).

Further information on the activities of [IEC TC 64](#) can be found on the IEC website.

Yours sincerely,

Mr Stephen Dutnall
Technical Officer of TC 64
