Private area:

IEEE P802.3dp Task Force

Activities since March 2025 plenary

The Task Force has not officially met yet

There was an unofficial discussion of potential changes to 802.3 in the 16 April PDCC ad hoc meeting, details in the PDCC minutes

IEEE P802.3dp Task Force

Meeting week plan

The Task Force does not meet

Due to the project workload, the majority of this work is expected to be done outside of plenary and interim meetings, with off-cycle interim meetings.

Questions?

Thank you!
