Progress This Week

Met Monday afternoon

- We made motion to request the WG progress the draft to WG ballot

Motion DK1

Move that the IEEE 802.3 Working Group progress the IEEE P802.3dk draft 2.0 to Working Group ballot.

M: made on behalf of the Task Force

IEEE P802.3dk Greater than 50 Gb/s Bidirectional Optical Access PHYs Next Steps

Start IEEE P802.3dk initial Working Group review

Meetings are on the IEEE 802.3 calendar

<http://www.ieee802.org/3/calendar.html>

Questions?

Thank you!
