# IEEE P802.3dm Task Force

## Activities since July 2024 plenary

---

Met during the Sept 2024 interim meeting series and Ad Hoc meeting on Oct 10.

### Major items discussed, decisions made and actions

Heard 15 presentations on topics to advance the project, however, no baseline proposals!

Ad Hoc meeting to help drive consensus

### Current status

Presentations for the plenary have motions for some portions of the draft.

# IEEE P802.3dm Task Force

## Meeting week plan

---

### Goals for the meeting

23 presentations this week.

Meeting Monday afternoon, Tuesday and Wednesday morning. (2 full days)

Agree on draft outline so chief editor can start to work on a D0.1

Agree on an initial timeline to an approved standard

### Big ticket items

Currently have no baseline text

Questions?

Thank you!
