Subject: Liaison reply to "Liaison of ASA Motion Link specification 2.0", 26 September 2024  
Approval: Agreed at IEEE 802.3 Plenary meeting, Vancouver, BC, Canada, 14 November 2024

Dear Mr Arndt and members of the Automotive SerDes Alliance,

Thank you for your letter "Liaison of ASA Motion Link specification 2.0", dated 26 September 2024, informing the IEEE 802.3 Ethernet Working Group of the status of the ASA Motion Link transceiver specification v2.0 and liaising the specification to the IEEE P802.3dm Task Force. We have placed the content in the password-protected private area, accessible only to Task Force participants. We will advise you on progress when appropriate. IEEE 802.3 meetings are open to all, and we encourage participation from interested individuals.

Sincerely,  
David Law  
Chair, IEEE 802.3 Ethernet Working Group
