19 November 2009**

**Located with
IEEE 802 Plenary
Hyatt Regency
Atlanta, GA USA**

Geoff Thompson Chair, IEEE 802 Emergency Services
ECSG

[<thompson@ieee.org>](mailto:thompson@ieee.org)

Agenda, minutes, documents:
<https://mentor.ieee.org/802-sg-emergency-services/documents>

Activities This Week (1)

- Monday: Gave reports in several plenaries
- SG met in Vining Tue/Wed/Thur
 - Joint with Dot 11 on Wed AM
- SG web page now up in 802 WG & SG area on Grouper
 - Link to it shows up in proper place
 - Reflector is up and running
 - All info on web page
 - Search in Google for “IEEE 802 ES-ECSG” gets it
- Review and refine new version of PAR & upload to Mentor
 - We believe that this is final for circulation 30 days in advance of March meeting

Activities This Week (2)

- Rework/Refine 5 Criteria
(as revised on slides posted on Mentor)
 - Still needs some final refinement before March
- Generate introductory presentation:
What is the problem we are trying to solve?
Why is it hard?
- Plan to do more in depth presentations at wireless interims in LaJolla, LA and 802.1 interim in Austin
- Plan to take action for PAR approval in March
- Will request 1st extension of Study Group to March '10

BIGGEST PROBLEM:

- LOW PARTICIPATION

Next meetings

- January Interim co-located with 802.16 et al at La Jolla (San Diego), CA, Jan 11 – 14, 2010 (Interim sponsor is IEEE 802)
- Propose also meeting with 802.11 at their Jan 17-22 interim (LA) and/or 802.1, Jan 18-22 in Austin.
